

Doodle - ing Bash!

The **Queens County Bird Club Inc.** will be having a **Doodle-ing Bash!** What is a **Doodle-ing Bash** you ask? It's an all day Saturday and Sunday overnight trip **in May**, where we bird Doodletown, and environs in Rockland & Orange counties, Hit Sterling Forest for it's specialties, and then stop for a hearty repast. Now that's a Doodle-ing bash!

After Dinner, we may venture out for Owls and Nightjars, or may decide to relax for an early start for the next day's birding at Bashakill Marsh in Sullivan County. Doing so avoids a long drive and affords us an early start to birding without a good chunk of it being wasted in the car! Join us just Saturday or just Sunday, or both and we'll have a **Doodle-ing Bash!**

Leaders need to know who's participating so you must Let us know if you plan to attend for car-pooling, or for last minute changes to meeting location, start times, or etc.
